Superb lifestyle in an outstanding location

With the countryside on the doorstep, this exciting new development is also within easy reach of the attractive town centre. One of Scotland's most historic towns, this vibrant community has won national awards for its floral displays in Grant Park.

With almost 40% of Woodroffe Grange being open space, the site will also include a network of footpaths, cycle paths, a playpark and the creation of native woodland areas within the public open space which will involve extensive planting of trees, hedging, shrubs and wildflowers.

Situated in the north of Scotland on the beautiful Moray coast, Forres is ideally placed on the A96, 25 miles from Inverness and 12 miles from Elgin, with good railway connections. The village offers a diverse selection of shops and restaurants and you will find a wide variety of leisure and outdoor activities including a golf course and swimming pool.

Findhorn Bay is only a 10 minute drive away which offers a stunning, uninterrupted fine white sandy beach stretching seven miles to Burghead, popular for coastal walks and dolphin watching.
